

**Title:** Associate Salesforce Consultant

**Reports To:** Director, Cloud Consulting

CleanSlate is a cloud consulting and software asset management company that uses technology solutions to make our clients great. We are looking to add a Senior Salesforce Consultant to our team. If you are passionate about developing quality solutions and thrive in a fast paced, forward-thinking environment, then this could be the ideal opportunity for you. Because we are a small team, the expectation is that you will bring your development experience as a strength. You will work independently but will have a team of high performers to lean on when necessary.

**What we are looking for:**

- Preferred 1+ years Salesforce Development Experience (Apex, Lightning, VisualForce); Other development experience/training is acceptable.
- Experience or Training with Object Oriented Programming.
- Ability to multitask and work on multiple projects at the same time.
- Ability to learn new technologies quickly and a self-starter for learning those new technologies.
- Ability to understand when to use Code vs Declarative Development and provide reasoning to clients.
- Ability to learn on the fly

**Minimum Qualifications:**

- Development experience on the Salesforce Platform or bachelor's degree in Computer Science

**What we have to offer:**

- Solid benefits including medical, dental and 401k
- Unlimited PTO
- Fun work environment
- Competitive salary
- Paid technical training and certification

If you feel you are a fit for our team and have the technical experience required, please email us your resume!
