

Title: Sr Java Consultant

Reports To: Director, Cloud Consulting

CleanSlate is a cloud consulting and software asset management company that uses technology solutions to make our clients great. We are looking to add a Sr Java Consultant to our team. If you are passionate about developing quality solutions and thrive in a fast paced, forward-thinking environment, then this could be the ideal opportunity for you. Because we are a small team, the expectation is that you will bring your development experience as a strength. You will work independently but will have a team of high performers to lean on when necessary.

If you feel you are a fit for our team and have the technical experience required, please email us your resume!

TalentAcquisition@CleanSlatetg.com

We are looking for strong experience with the following:

- Full Stack development including HTML, JavaScript Frameworks, CSS
- Java Enterprise Development experience
- MVC, MVVM and MVP applications and design patterns
