

**Title:** AWS Cloud Architect

**Reports to:** Director, Cloud Consulting

CleanSlate is a cloud consulting and software asset management company that uses technology solutions to make our clients great. We are looking to add an AWS Cloud Architect to our team. If you are passionate about developing quality solutions and thrive in a fast paced, forward-thinking environment, then this could be the ideal opportunity for you. Because we are a small team, the expectation is that you will bring your cloud experience as a strength. You will work independently but will have a team of high performers to lean on when necessary.

**We are looking for strong experience with the following:**

- Experience with designing and deploying highly available and highly reliable systems utilizing the AWS Well Architected Framework
- Experience migrating existing applications to the AWS platform
- Experience with key AWS services like EC2, S3, IAM, VPC Configuration, etc.
- Experience configuring IAM User, Roles and Policies for multi account authentication
- Integration with SSO providers like Active Directory and Azure AD
- Experience with utilizing tools like Terraform or CloudFormation to build Infrastructure as Code (IaC)
- Experience with Cloud methodologies, frameworks, automation, and industry leading trends like DevOps
- Experience with Cloud Cost Optimization and Security tools like Trusted Advisor, CloudCheckr, etc.
- Experience utilizing the AWS TCO calculator to help project forecasted costs
- Ability to perform basic network troubleshooting and high availability concepts

**Minimum Qualifications**

- 2+ years of AWS implementation experience
- Bachelor's degree in Computer Science or related field
- A minimum of 3 years professional software development experience
- AWS Associate/Pro Certification (or willing to get within 30 days of hire)

**What we have to offer:**

- Solid benefits including medical, dental and 401k
- Unlimited PTO
- Fun work environment
- Competitive salary
- Paid technical training and certification

If you feel you are a fit for our team and have the technical experience required, please email us your resume!
